

Letter of Appreciation

It gives me immense pleasure to express my heartfelt appreciation for outstanding work of Ms Rakhi Jain, T-26, Civil Township, Rourkela, Odisha. I am deeply impressed by your remarkable journey, particularly your tireless commitment to empowering rural and artisans. Your groundbreaking research on silicosis prevention in Odisha's mining districts and your innovative efforts to combat microplastic pollution through community-driven science are truly commendable.

You embody the spirit of Odisha's youth - intelligent, humble, and deeply rooted in the state's rich cultural heritage. Your exceptional ability to bring together artisans, researchers, and policymakers is a testament to your leadership skills. I have no doubt that you will continue to make Odisha proud, no matter where your journey takes you.

Please accept my warmest congratulations and best wishes for your future endeavors.
